7. AGENDA7 – 1 Major Local Developments

Environment Agency/S Glos both confirm that Tesco have presented an adequate Flood Risk Assessment. Local residents are complaining of dust and piling without mufflers, though developers claim these are fitted.

7 – 2 Village Halls/Playing Fields

IH reported on a fire, set in a bin, at Pilning VH. He attended for 3 hours on Sunday 17th May after the alarm had been raised by a resident in Northover Court. More than £5,000 worth of damage was caused. Police did not attend the incident, merely issuing a crime number. IH forcefully vented his feelings, both over the youngsters involved – who sat nearby observing – and at the lack of attendance by Police.

This again led to complaints over the failure to attend at any meetings, despite the new officers having been in post for some time. The local PC, who was on duty this morning, has apparently gone off-duty, feeling unwell, but had stated in conversation with FB that she was unaware of any ‘requirement’ to attend council meetings.

Reference was made to the report issued by Wicksteed in respect of play equipment needing attention, and the need to keep dogs off the playing fields.

IH observed that 2 separate residents of Northover Court had spoken of reference in their house deeds to a right of access onto the field. When asked, SC confirmed that he had not seen his deeds and was unable to comment. Clerk summarised the proceedings so far. With no legal contact yet made (with a view to obtaining an injunction requiring removal of the padlock from our gate), IH suggested formal contact directly with Mr Hood. Having volunteered his services, it was agreed PT would act as a mediator and attempt to obtain a key.

7 – 3 Cemetery/Churches

Attention was drawn to the letter from Mr David, and to the response by both Clerk and Cemetery Clerk. 1. NC 2. FB, all agreed a notice board be provided on which a copy of the cemetery regulations could be displayed.

PT advised that all the necessary action had been taken, as the parish council had published an *In View* article stating that the ‘new’ cemetery was to operate as a lawn cemetery. No comment had been forthcoming from the public at that time.

FB drew attention to the memorial to a father and 2 children who had been killed during WWII. With no relatives available, FB asked whether the parish council would be willing to pay for the memorial to be re-lettered. This was agreed and FB is to obtain quotations. Agreed that FB could also approach Pilning School to ascertain their willingness to allow children to maintain the grave, those buried there having formerly been attendees at the school.

7 – 4 Parish Plan - Update

JD commented on the poor weather in April and the resultant poor attendance at the Farmers’ Market. May had proved somewhat better on both counts though economic problems have led to a reduction in traders able or willing to attend. The possibility of a ‘themed’ market had been considered, though considerable complications with licences and extra fees may render this impractical. With the market high on the list of requirements indicated by the public it is up to local residents to ‘use it, or lose it’.

JD confirmed the Parish Plan document is very close to completion.

7 – 5 Playgrounds/Youth Activities

NB presented her thoughts on the provision of facilities – relating to age groups 2-6 and 6-12. JB has provided valuable support in this endeavour. With costings at over £17,000, some £2,400 would need to be provided by the parish council. Proposed IH, 2 FB, all agreed, NB to proceed, subject to an official quotation being obtained.

7 - 6 Allotments

FB asked if it might be possible to utilise the sports field between the seawall and Beach Road for allotments, now that the rugby club has folded. Clerk has already asked about this following discussion (item 7-2, April 2009). PT confirmed discussion is already underway at S Glos. However, play and sports field considerations have to be carried out first. Should no proposals be forthcoming conversion for allotment use could be considered

7 - 7 Village Matters

Roads/Road Signs – NB complained of excessive speed by motor vehicles in the Cross Hands area. Despite the '30 flasher' drivers ignore the restrictions. Police action is required, or, if volunteers are forthcoming, a 'Speed Watch' operation can be mounted by residents.

JB stressed how annoying it had become with foreign lorry drivers attempting to negotiate Gorse Cover Road in their search for Ableton Lane and the Hale's vehicle reclamation site. There are, of course, 2 remnants of the original Ableton Lane, one in our parish, the other off Hallen Road, though, as CW confirmed, the official address for Hale is Severn Road.

Street Furniture & Lighting – Despite claims that lights are to be extinguished in South Gloucestershire after midnight, FB asked whether this was yet underway as lighting appeared to be on as before.

Planter – CW drew attention to the letter from Mr A George and the plan by the Gardeners' Club to service a planter. Clerk confessed he had overlooked this and would make the necessary arrangements.

Building/New Development/Housing – IH asked whether anyone had heard of proposals to develop land to the north of Cross Hands Road. A developer has apparently been 'sounding out' some local residents and would demolish a house to gain access to land terminating at the church path.

7 - 8 Reports

YOUTH CLUB – PT attended the youth facility at SB, admitting that he was impressed by the general demeanour of those present. He also guided a prospective European Parliamentary candidate around the area to make them aware of the community they may be representing.

ENVIRONMENT/CONSERVATION – PT advised of the "Give it Away, Take it Away" event to be mounted in Thornbury on Sunday 7th June. Last year's event was a great success, very little remaining for SITA to dispose of when it ended.

SAFER, STRONGER COMMUNITY – PT advertised the next event, to be held in SB School on 1st July.

HEALTH AUTHORITY/CARE SERVICES – PT has visited the Hayes Unit and commented that the Supervisor would be contacting council to keep us informed.

ROADS/ROAD SIGNS – The 'long awaited' boundary sign for Northwick has been ordered and should be in place in the near future.

SCHOOLS – FB announced that SB School would be hosting a "Churches Together" event on Sunday 14th June. This will include a Barbecue and a continuation of the current good weather would help in making this a success!
