Dear All

**GOVIER WAY, WESTERN DISTRIBUTION PARK, SEVERN BEACH  
MAJOR MAINTENANCE WORKS 23 – 25 OCTOBER 2024**

I am writing to advise you about essential roadworks that are to be carried out on the Govier Way Roundabout, Western Distribution Park, Severn Beach. (See attached plan of site. Area of resurfacing shown in red.) From the 23 October 2024, the road will be subject to major resurfacing works.

The works will involve the planing off of the existing surface of the carriageway, some reconstruction works and the laying of a new surface. The work will be carried out during the night between the hours of 8pm-6am. The road will be reopened during the day. These works will create a significant amount of noise.

For the duration of the works at night, the roundabout will be controlled by temporary traffic lights. Unfortunately, in order to complete the works to the best standard, we will have to completely restrict access in and out of Collins Drive. I understand that this will cause inconvenience to the businesses affected, but I hope that by giving you this advance warning, businesses will be able to make alternative arrangements for the times affected by the works. I apologise for this inconvenience, but it is the only way we can complete the works properly. Please note that adverse weather conditions or plant / delivery problems may affect these times and dates.

Please view [Causeway one.network](#) for any further updates, but you are advised to avoid the area if possible for the duration of the works. South Gloucestershire Council apologises for the inconvenience caused by these essential works.

In the meantime, if you have any queries please do not hesitate to contact Jo Perry on the above telephone number.

Yours faithfully

Joanne Perry  
Engineer (Highway Maintenance)  
Street Care
