## **7. To consider the following application(s)**

**P25/01495/F Land At 16 Redwick Road Pilning South Gloucestershire.**

Proposal: Demolition of existing dwelling and construction of 2 semi-detached houses with frontage parking.

Discussion:

- Members noted concern about direct access onto Redwick Road with no turning space, requiring vehicles to reverse out.
- Existing layout may not comply with highways safety best practices.
- Blandness of design was raised; councillors felt it lacked character and did not enhance the village street scene.
- Question raised why access wasn't proposed via Redwick Gardens (private road) but not currently adopted.

Committee Decision:

**Object to the proposal. Reasons:**

- Road safety concerns due to frontage parking without turning space on a busy stretch of road.
- Lack of architectural interest or contribution to local character.
- Recommend revisiting access layout and improving the house design.

## **8. Date of the next meeting**
