

Cllr. Sue Binns

I have lived in the village for almost 36 years having moved here from Bristol in 1979.

I am married with three children, all grown up now, and during their childhood I was involved in Mothers and Toddlers, Pilning Playgroup and Pilning School where I was on the committee of the Friends and was a Parent Governor for 12 years.

For 21 years I was a member of Pilning Carnival Committee, chairing it for 15 of those years.

Having recently retired from my job as a Primary School Teacher I have some time which I would like to use to the benefit of our community. I am a grandparent and have an elderly parent and I feel I have some understanding of what families are looking for from our community.
