Evaluation of Sites:

By the time this is published the Steering Group should have completed its meetings with the landowners of potential sites throughout the Parish. To date, responses have generally been positive and given owners food for thought. With an improved understanding of availability, we can now prepare a preferred plan and move forward on addressing issues such as flooding and green belt.

Meeting with Councillors:

Following the Steering Group's briefing meeting with the new Parish Council, the Parish Council agreed at its June meeting, to consider the potential opportunities for developing its land and opening doors to improving community buildings and recreational facilities. The Steering Group also met with new District Councillor, Simon Johnson. Simon was impressed with progress and the quality of work done, and will be an asset in supporting our objectives withing South Glos Council

Sevenside Festival 8th July:

Please come and visit our stand at the festival to find out the latest position with the Neighbourhood Plan and hear what is being considered for potential sites.

Steering Group Membership:

We would like to thank Penny Riches, who has stood down from the Steering Group, for her contributions to our work. We wish Robert Goard well in picking up the role of Secretary. If, as a resident, you would like to become more involved in the Neighbourhood Plan at this important time, please come and join us.
