This is **Your** chance to influence the shape of **Our** Parish.  
**Have Your Say Now!**

The survey of residents is a critical stage in the Neighbourhood Plan. We must obtain the views, expectations and hopes for our Parish from as many of you as possible, and act upon them.

The survey is planned to be distributed to all of the parish in November. In completing it, you will be influencing the shape of our community for years to come.

**We would encourage you to complete the survey electronically. This way will save time and money, and will have less environmental impact.**

To register for the survey, please **scan the QR Code** (at the bottom of this newsletter) or visit the Parish Council website at: [www.psbpc.co.uk/neighbourhood-plan](http://www.psbpc.co.uk/neighbourhood-plan).

Thank you to the many people who have already done this.

## Progress update:

- The draft Housing Needs Assessment Report has been reviewed by the Steering Group and by SGC. Comments and points of clarification have been returned to the author for inclusion in the final version. The report identifies a need for new housing of which a good proportion should be affordable. Have your say in the survey!
- The questions for the residents' survey have been prepared and are receiving final checks prior to their issue.

**Footnote:** Our Chair Olga Taylor has had to step down for personal reasons. A successor will have been appointed at our October meeting.
