

Cllr. Kevin Weeks

I was born in Bristol and married Pauline in 1982.

We moved to Severn Beach with our two children in 1988. Both of my children attended Severn Beach School and later Marlwood.

My youngest grandchild also attends Severn Beach School.

I work locally in Avonmouth for a company that manufactures components for the Motor Manufacturing Market.

I was actively involved with the youth movement first with the Air Training Corps in Bristol and later with The Cubs/Scouts in Pilning.

In my spare time I can be found pottering around on my allotments in Severn Beach.
