 - **Section 3** is completed by the external auditor and will be returned to the authority.
3. The authority **must** approve Section 1, Annual Governance Statement, before approving Section 2, Accounting Statements, and both **must** be approved **before 2 July 2018**.
4. An authority with either gross income or gross expenditure exceeding £25,000 or an authority with neither income nor expenditure exceeding £25,000, but which is unable to certify itself as exempt, or requesting a limited assurance review, **must** send to the external auditor:

 - a bank reconciliation as at 31 March 2018

*for a complete list of bodies that may be smaller authorities refer to schedule 2 to Local Audit and Accountability Act 2014.

Guidance notes on completing Part 3 of the Annual Governance and Accountability Return 2017/18

- The authority **must** comply with *Proper Practices* in completing Sections 1 and 2 of this Annual Governance and Accountability Return. *Proper Practices* are found in the *Practitioners' Guide** which is updated from time to time and contains everything needed to prepare successfully for the financial year-end and the subsequent work by the external auditor.
- Make sure that the Annual Governance and Accountability Return is complete (i.e. no empty highlighted boxes), and is properly signed and dated. Avoid making amendments to the completed Annual Governance and Accountability Return. Any amendments must be approved by the authority, properly initialled and accompanied by an explanation. If the Annual Governance and Accountability Return contains unapproved or unexplained amendments, it may be returned and additional costs will be incurred.
- The authority **should** receive and note the annual internal audit report prior to approving the annual governance statement and before approving the accounts.
- Use the checklist provided below to review the Annual Governance and Accountability Return for completeness before sending it to the external auditor.
- Do not send the external auditor any information not specifically requested. However, you **must** inform your external auditor about any change of Clerk, Responsible Finance Officer or Chairman, and provide relevant email addresses and telephone numbers.
- Make sure that the copy of the bank reconciliation to be sent to your external auditor with the Annual Governance and Accountability Return covers all the bank accounts. If the authority holds any short-term investments, note their value on the bank reconciliation. The external auditor must be able to agree the bank reconciliation to Box 8 on the accounting statements (**Section 2, page 5**). An explanation **must** be provided of any difference between Box 7 and Box 8. More help on bank reconciliation is available in the *Practitioners' Guide**.
- Explain fully significant variances in the accounting statements on **page 5**. Do not just send a copy of the detailed accounting records instead of this explanation. The external auditor wants to know that you understand the reasons for all variances. Include complete numerical and narrative analysis to support the explanation.
- If the external auditor has to review unsolicited information, or receives an incomplete bank reconciliation, or variances are not fully explained, additional costs will be incurred.
- Make sure that the accounting statements add up and that the balance carried forward from the previous year (Box 7 of 2017) equals the balance brought forward in the current year (Box 1 of 2018).
- Please enter the authority's name **only** in Section 3 on Page 6. **Do not complete the remainder of that section**, which is reserved for the external auditor.
- The Responsible Financial Officer (RFO), on behalf of the authority, **must** set the commencement date for the exercise of public rights. From the commencement date for a single period of 30 consecutive working days, the accounts and accounting records can be inspected. Whatever period the RFO sets it **must** include a common inspection period – during which the accounts and accounting records of all smaller authorities must be available for public inspection – of the first ten working days of July.
- The authority **must** publish the information required by Regulation 15 (2), Accounts and Audit Regulations 2015, including the period for the exercise of public rights and the name and address of the external auditor.
